Addendum for Summer Food Service Program Government Shutdown

Agreement # _____ TIN _____

(Print full name Responsible Party) (Name of Sponsor Organization)

(Physical Address of Sponsoring Organization)

Part I I certify that the information submitted on and with this form, as well as all submitted online application/agreement forms, requests for advances, claims for reimbursement and all attachments are true and correct. I am aware that deliberate misrepresentation or withholding of information may result in prosecution under applicable State and Federal statutes. I certify that this organization will directly operate the program in accordance with 7 CFR 225.14(d)(3).

Part II I hereby provide assurance that this organization will be operated in compliance with all nondiscrimination laws, regulations, instructions, policies, and guidelines; and will compile data, maintain records, and submit reports as required to permit effective enforcement of nondiscrimination laws, regulations, and policies, instructions and guidelines. This agreement permits authorized USDA personnel to review such records, books, and accounts as needed during hours of program operation to ascertain compliance.

Part III I hereby acknowledge that the Summer Food Service Program is a reimbursement program that is federally funded through USDA. When a full or partial government shutdown occurs, federally funded programs are affected by it. So when/if USDA is shut down by the government, there is NO GUARANTEE in funding for the Summer Food Service Program. I fully and completely understand that even though my application may be approved by the state agency, there is no guarantee of reimbursement for claims made during the duration of the program. I realize that by operating a summer food program prior to any notification that there will be funding provided, I do so at my own risk.
