

Obligation to Serve Infants in the CACFP

Dear Parents/Guardians:

This center/home/ministry participates in the Child and Adult Care Food Program (CACFP) and receives USDA reimbursement for serving nutritious meals to infants and children. Participation in this program requires caregivers to follow specific meal patterns according to the age of the child being fed.

Policy requires a center/home/ministry participating in the CACFP to offer formula and meals to infants who are in care during meal service times. Parents/guardians, however, may decline what is offered, and supply the infant's meals instead.

Please complete the following information:
