MEMORANDUM

TO: ALL CHILD NUTRITION PROGRAMS
FROM: HEALTH AND NUTRITION UNIT
DATE: FEBRUARY 6, 2023
SUBJECT: **SFSP MILK REQUIREMENTS CORRECTION**

The Health and Nutrition Unit (HNU) prides itself on ensuring that all USDA Food Program participants are receiving accurate Special Nutrition Program (SNP) information. On January 27, 2023, the HNU conducted a pre-recorded Town Hall Meeting and unfortunately, we recognized an error regarding the SFSP milk requirements. Please see slide below:

Correction is as follows: To meet the SFSP milk requirement, a serving of milk must be at least **1 cup (or 8 oz)** in order to receive credit towards the milk requirement. Failure to comply may result in unallowable meals.

If you have questions regarding this matter, please do not hesitate to contact us at 501.682.8869. We truly apologize for the inconvenience, and we thank you for your understanding.

It is highly recommended that you keep a copy of this MEMORANDUM on file for quick and easy reference. A copy is also available in the resource library under 2023 Mass Alerts.
