

Happy National CACFP Week!

March 17 - 23, 2019

Division of Child Care and
Early Childhood Education

Arkansas CACFP

One of the most important lessons a child will learn is healthy eating habits. Did you know your child is learning these habits in a child care that participates in USDA's Child and Adult Care Food Program (CACFP)? Together we can work to establish and encourage healthy habits at home and at child care.

Thank you for your support!
