

# **FEBRUARY 21, 2017**

# **FARM TO SCHOOL**

## **Arkansas National School Lunch Program**

- Training will count for six (6) hours of Professional Standards.
- This training will include information on the Farm to School Program as well as information from the Commodity Distribution Program.
- We are pleased to announce that some local Arkansas farmers will be joining us as guest speakers.
- Please register for this training, as seating is limited. You may register by logging on to the Division's web page and searching the training calendar.

If you need additional information, please feel free to contact us at 501.682.8869.

For your convenience, follow the link below to register.
