OCTOBER 2017

Fall is officially here, and the weather is finally getting the memo. With the cooler weather, fall in Arkansas is a great time to visit local Farmer's Markets, and farms. Apples in Arkansas are in season until late October, as well as cucumbers, eggplant, green beans, and grapes. Visit the link below for great resource for finding Markets, roadside stands, pick-your-own farms, and much more.

ARDHS-NSLP appreciates each and every one of our valuable participants and their dedication to the children in Arkansas. NSLP would like to highlight as many of you as we can. Please send us any pictures or "brags" you may have on your facility and/or your staff as it relates to NSLP.

NSLP would like to recognize Bonnie Boone (CN Director) and her wonderful staff at Consolidated Youth Services in Jonesboro, AR. CN Resources conducted an Administrative Review in September, and happily reported zero findings! Congratulations to CYS, please keep up the great work!
