MEMORANDUM

TO: 2016 SUMMER FOOD SERVICE PROGRAM (SFSP) INSTITUTIONS
FROM: HEALTH AND NUTRITION UNIT
SUBJECT: CLOSING DATE OF APPLICATIONS & STATUS
DATE: MAY 10, 2016

The Health and Nutrition team would like to thank you for the submission of the 2016 SFSP applications. As of April 30, 2016, the 2016 Summer Food Service Program (SFSP) application submission deadline has closed. In the coming weeks, the State Agency team members will be actively reviewing the applications that were submitted prior to the deadline. A State Agency team member will be in contact with the responsible parties for each agreement to provide technical assistance as needed. All responsible parties will be contacted in writing based on their approval or denial determination regarding the 2016 SFSP application.

Any application submitted after the April 30, 2016 deadline will receive a written notification. Each application submission status's date may be verified via the SNP system. Please **do not** contact the State Agency to ascertain the status of your application as the Health and Nutrition team will **contact** you with the results of your organization's application status. If you have other questions regarding the SFSP program, please call the main number 501-682-8869 to have your call directed to the appropriate individual whom may best assist.
